Copyright © (2020): Pure Production AG warrants that at the time of the quality release the measured aliquot of this product conformed to the information contained in this publication. We hereby certify that the above information is authentic and accurate within natural fluctuations. This product has been fabricated/manufactured (including packaging and quality control) at the above mentioned site in full compliance with the quality requirements according to ISO9001. Pure Holding AG and its subsidiaries disclaim all liability for any damage that occurs during shipping and storage, e.g. due to inappropriate environmental conditions. Products must be stored between 15°C and 25°C, protected from light and in a dry surrounding at all times. Moreover, Pure Holding AG and its subsidiaries disclaim all liability for any damage that may occur when handling or coming into contact with such packaging, ingredients or chemicals. For further inquiries, please contact Technical Service or Pure Europe. Purchaser must determine the suitability of the product for its particular use. * Total CBD = (CBDAx0.877)+CBD; Total CBG = (CBGAx0.877)+CBG; Total THC = (THCAx0.877)+d9-THC. Limit of detection (LOD) = 0.025% (w/w), limit of quantitation = (LOQ) = 0.05% (w/w). n.d. means "not determined" / below LOQ.
